Her Money Was Gone!

An old woman who lived alone had kept nearly $2,000.00 in currency around her house for years. She was afraid of banks.

Last fall she became seriously ill, and——

No, she didn't die. But when she went to look for the cash it was gone! Fortunately some honest friends had found it while she was unconscious and had deposited it to her credit in a bank.

This woman has now decided that after all the bank is the safest place, and, besides, her money is not idle any longer. It is now earning 4 per cent for its owner.

Let us put your money to work for you.

One-fourth of the wheat we grow is the result of the researches of the Government. After years of untiring experiment and investigation, the Government, through the Department of Agriculture, was enabled to introduce into this country the remarkable Durum wheat through which our production has been increased fully twenty-five per cent. This has been only one of many surprising but little-known accomplishments of the Government, which are covered in the interesting series of stories for which we have the exclusive right of distribution in this community.

We'll send this literature to you each month without obligation on your part if you will ask for it.

At a call meeting of the Appomattox Agricultural club, the resolution was adopted that we express our gratitude to Mrs. Hancock and Mrs. Caldwell for their support and assistance; also the patrons and friends for their support which made our lawn party a success. The club held a called meeting Wednesday morning July 19 1922, to appoint delegates to attend the short course given at Blacksburg.

On Tuesday afternoon the Appomattox boys defeated "The All American Girls Athletic Club" by a score of 5 to 3. The game was very loosely played after the seventh, the local boys holding the visitors to a 5 to 0 score, but at that stage of the game the boys began to get careless and allowed the visitors to score three runs. The largest crowd that ever attended a ball game here was out yesterday 750.

The kiddies can be expected to rise at an early hour in hopes of getting a glimpse of the arrival of the three special trains bringing the circus, for to witness the unloading activities is more than interesting.

The first official entry of the circus will be in form of a mile long street parade of Thursday morning In this one will get a glimpse of some of the performers and animals but in truth, it cannot describe the matinee to follow, for there is said to be novelties on all sides and the feature acts are the best obtainable

Trained animals will perform new feats at the snap of the whip and command of their trainers, with an obedience that will astound all. The lions, tigers, pumas, elephants and many others will more than please the grown ups and bewilder the youngsters.

The doors will be opened one hour before each performance, that the public may thoroughly visit the big menagerie, which is educational as well as intensely interesting.

For the convenience of the public tickets will be sold downtown at the same price as charged on the lot This ticket office will be located at Orchards Drug Store.

Another View of Selfishness.

Selfishness does not always apply to the man who is unwilling to share his belongings with others, but it also applies to the man who may have some practical ideas and will not pass them on to his neighbor.

THE "OLD RELIABLE"
THEDFORD'S BLACK-DRAUGHT

White Haired Alabama Lady Says She Has Seen Medicines Come and Go But The "Old Reliable" Thedford's Black-Draught Came and Stayed.

Dutton, Ala.—In recommending Thedford's Black-Draught to her friends and neighbors here, Mrs. T. F. Parks, a well-known Jackson County lady, said: "I am getting up in years; my head is pretty white. I have seen medicines and remedies come and go but the old reliable came and stayed. I am talking of Black-Draught, a liver medicine we have used for years—one that can be depended upon and one that will do the work.

"Black-Draught will relieve indigestion and constipation if taken right, and I know for I tried it. It is the best thing I have ever found for the full, uncomfortable feeling after meals. Sour stomach and sick headache can be relieved by taking Black-Draught. It aids digestion, also assists the liver in throwing off impurities. I am glad to recommend Black-Draught, and do, to my friends and neighbors."

Thedford's Black-Draught is a standard household remedy with a record of over seventy years of successful use. Every one occasionally needs something to help cleanse the system of impurities. Try Black-Draught. Insist upon Thedford's, the genuine.
